LB 640

SENATOR NEWELL: I would like to address a question, a clarifying question of Senator Labedz. She asked me a question.

PRESIDENT: No, you ask the Chair. There has already been closing. And if it is an appropriate question, why then....

SENATOR NEWELL: Okay. The question is, Senator Labedz read a fiscal impact statement which said that there would be no cost since all counties would be re-evaluated but I think that if she would read that again she would find that that is only for this year, 1979.

PRESIDENT: What is the question?

SENATOR NEWELL: I wanted to know if she has, in fact, if she was speaking for just '79, where there would not be a cost or is she talking about '80 where there would be a cost.

PRESIDENT: Are you talking about '79 or '80?

SENATOR LABEDZ: I am talking about '79 and thereafter because by then all counties would be re-evaluated.

PRESIDENT: Thank you. The question before us is, shall LB 640 be indefinitely postponed? Record your vote. Have you all voted? Have you all voted? Senator Newell.

SENATOR NEWELL: I would like to see if we can get some more people in here. It is getting close but I would still like to have everybody make the decision. Could we have a Call of the House?

PRESIDENT: Yes, and if you ask for a Call of the House, ask for the Call of the House, would you? Make a record, Mr. Clerk. The question is, shall the House go under Call? Record.

CLERK: 22 ayes, 2 nays to go under Call, Mr. President.

PRESIDENT: We are under Call. All Senators are required to return to their seats and record your presence promptly please so we can avoid the double roll call. While we are waiting, I would like to introduce a group from Senator Kahle's District, six senior high students from Wilcox, Nebraska. They are in the North balcony. We appreciate you being here. Thank you very much. All right. Senator Venditte, Senator Brennan, Senator Farvel, Senator Dworak, Senator Newell, would you please press your button to indicate you are here. Senator Goodrich is gone. Senator Merz. Senator Bereuter is missing and Senator Goodrich.

SENATOR NEWELL: May I have a point of person privilege?

PRESIDENT: State the point.

SENATOR NEWELL: There was circulated.....

PRESIDENT: No, no. On this bill?

SENATOR NEWELL: Yes, there was.

PRESIDENT: No, no, I am going to overrule that. Debate
